

ADAM FREEMAN - BIO

Adam Freeman didn't get a lot of love as a child and thus craves the laughter and validation of strangers.

After a 20+ year career writing and producing for others, this former show runner of The Chelsea Handler Show, Total Request Live, The Imitation Game with Pete Holmes, Wild n' Out with Nick Cannon, Gene Simmons Family Jewels and many more brings his slightly skewed, very diseased take on the world to comedy stages coast to coast. He has appeared on WeTV, FOX, E!, MTV and more.
